KRIS KOPCZYNSKI

2/4 Ferry Rd Gardens EH4 4AW, Edinburgh

kopczkrzy@gmail.com +44 7455 38 20 76

14.04.1982, Poland*

Passionate software developer with 2 years of commercial experience in blending the art of design with skills of programming to deliver engaging user experience through efficient web adn mobile development.

Able to adapt quickly, learn fast, and work effectively as a part of a team in a fast-paced work environment or on his own, highly resourceful and creative individual.

Accessibility, usability, and inclusion advocate.

Currently looking for a position in a team that can support and challenge talented people in taking ownership of their work and business.

EXPERIENCE

Estendio (March 2021 - present)

Worked on a presentation support software (mobile and web) with a significant focus on accessibility to enable users to deliver more confident and prepared presentations.

Co-developed from scratch Add-on and chrome extension as a part of the comprehensive suite to support Google Slides users.

Upskilled in React Native and TypeScript.

Money Dashboard (July 2020 - March 2021)

Worked in a fast-paced Agile environment for an award-wining startup, constantly shipping new user-facing features for a financial management application with React (and React Native).

Collaborated efficiently with product managers and design team members by taking an active role in defining the web application interface and its functionality. Learnt to build a scalable, testable and reusable code while ensuring the technical feasibility of UI/UX designs.

Freelance Web Developer (2018-2020)

Delivered end-to-end commercial, heigh quality SPAs with CSS3, HTML5, and various JavaScript frameworks (React, Next) in collaboration with a diverse group of private clients and local businesses.

Built responsive, cross-browser compatible, SEO friendly, and accessibility compliant websites with enhanced performance, while overseeing the full project life cycle. Produced website mock-ups for clients to ensure quality control and client's satisfaction.
